

TauRIS Remote Strike for Software “INA”

Forget about far ways to the Club – The TauRIS Remote Strike allows you to do the clock release comfortably at home!

- **Clocking as before!**
- **No extra hardware necessary in your loft**
- **Absolute security via data encryption and TauRIS release code**

And that's how easy it is:

1. **Clock your pigeons as usual**
2. **Connect terminal to your PC**
3. **Start PC-program “Remote Strike”**
4. **With only a few clicks you send your data directly to the club**
5. **Release the terminal with the release code**

Works on all TauRIS Terminals running with TauRIS Software “INA”
